

Bar hopping for singles

1 evening, 3 locations, 18 singles. No speed dating. Meet other singles from your area and get to know them in an informal and sociable round. Acquaintances, friendships, love.

Barhopping for singles in Lucerne, you have the opportunity to meet singles from your area, outside the virtual world of the Internet.

Dating portals and singles exchanges can not easily, directly and even spontaneously, bring people together in real life. Unlike the well-known speed dating, we attach importance to the Barhopping for singles that there is enough time so that the conversations can go beyond a quick, superficial, key data query.

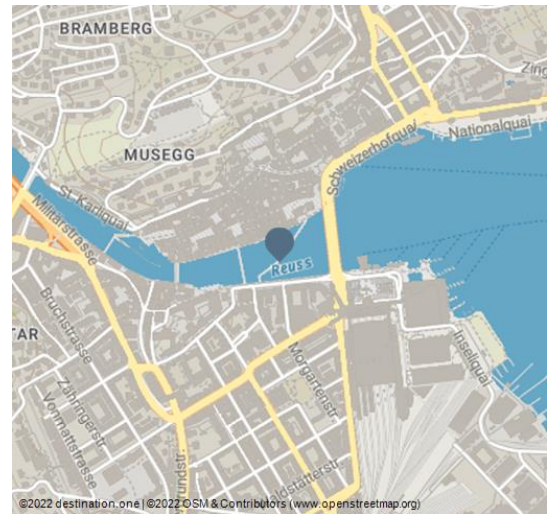

The procedure:

- Minimum 18 singles in an age group
- 6-8 singles per barhopping round
- 3 rounds of offline dating in different locations
- At least 1.5 hours per location
- For singles of all ages
- Online matching after the event

Your advantages:

- No awkward 1:1 situations
- Assess directly whether you like appearance, gestures, facial expressions, etc.
- No fake profiles, fake texts
