

ROBODONIEN

Festival/open-air

Axel Schulten KölnTourismus GmbH

The robot art festival ROBODONIEN is a unique combination of exhibition and performance, in which spectacular shows of installations, kinetic objects and robotronics are presented. The robot festival takes place at ODonien and invites artists from all over Europe. A mixture of fire, steam, light, mechanical and electronic sounds brings man and machine together. The spectacle is framed by music and workshops that inspire.
