

## Guided tour for kids: I Spy With My Little Eye!

Guided tour/tour

### Discovering the city in an unusual way

Something blue on the cathedral, a ship on the wall of the house opposite, a woman standing on a snake, little men putting bread in the oven, lizards and marble turtles. On this tour, the kids can seek and discover things that are not visible at first glance. Behind them are interesting and funny stories about Cologne.

**Attention:** Only in German
