

ERNST KAFFEERÖSTER

café

ERNST KAFFEERÖSTER

The Ernst Kaffeeröster coffee house is my favourite place in the Cologne Südstadt district. Everything about this café is elegance personified, from the décor and the sweet little pastries to the coffee itself, of course. This is where I tried my first ever espresso with tonic water, and that's my recommendation. It's the perfect drink for this summer and delicious to boot.
