

Samuel's Shep

bar / lounge

The former Shephard Bar has now been handed over to Samuel's Shep and offers the usual good quality drinks. Tucked away just a few metres from the happy hour district is this gem in Cologne's cocktail crown. Unregal from the outside, you take a few steps down into the basement and suddenly enter a completely different world. Once inside, you don't notice any of the hustle and bustle of nearby Zülpicher Straße. Nothing at all!

Inside, Samuels's Shep decor is structured and sophisticated, and the same can be said of the service. This is a no-frills place that focuses on the fundamentals. They have an extensive bar menu with quite a few treats. Samuel's Shep doors are also open to champagne enthusiasts – and anyone else! Word has got around about how great this place is so it makes sense to reserve, at least at the weekend.
