

Marx & Engels

restaurant

What an awesome-looking burger restaurant – the interior design is amazing! The background music is slightly weird (not to mention the waiters' and waitresses' outfits) but let's not dwell on that – after all, it's the burgers that count!

And Marx & Engels' burgers are good. There are three vegan burgers on the menu plus a veggie burger weekly special. The combinations of ingredients are great and all the mayos are vegan. I marked this one down too for slightly underseasoned patties but that could still change...

Kitchen Styles:

✓ International ✓ vegetarian ✓ vegan
