

Hornochse

restaurant

A refurbished pharmacy is home to Hornochse – another nicely furnished eatery, right in the middle of the lively district of Nippes. Sadly, the waiter must have got out of the wrong side of bed on the day I was there – either he didn't feel like answering my questions or he didn't know the answers. Pity!

The falafel or portobello patty can be combined with one of the options on the menu and the meat or cheese simply left off. The ingredients in the Yokozuna falafel burger were good but I found the patty too dry – they need to be juicier.
