

Restaurant Mill'Feuille

The Mill'Feuille is located by the Reuss in a location that's blessed by the setting as well as the rising sun – a bar, a meeting place.

We serve breakfast, lunch and dinner every day, with warm dishes available all day long; there's background music, homemade lemonade, a conservatory right by the river and excellent coffee, and we welcome all and sundry for business or pleasure.

Brunch

"Mill'feuille" stands for a thousand leaves & facets. Which is why Lucerne loves this restaurant. In addition to lunch and dinner, the restaurant offers brunch every day, right on the Reuss river. On Saturdays and Sundays, brunch for late risers is available until 6 pm! With bread to cut yourself, croissants, cakes, pain au chocolat according to the motto "it's as good as it gets". The brunch can be spiced up with an onion egg, hummus, waffles, cheese, ham, a thousand facets, just as you like.
