Seasonal & fresh

The LIDO is dedicated to food culture. It offers a menu with seasonally changing dishes. High-quality ingredients are used, including regional and organically grown food, all freshly prepared. Vegan and vegetarian dishes are also on offer. Personal contact with suppliers ensures that the origin of the food used is known. This conscious approach to food can of course also be tasted!

Guests are spoiled in a relaxed atmosphere. Whether it's a coffee, meeting up with friends later for a glass of wine or sitting together for a cosy meal before or after an event - in any case, the varied range of food and drinks on offer will guarantee an unforgettable evening.

LIDO is also available for private celebrations such as birthdays, weddings, etc.
