A cappuccino in the morning, Italian sandwiches for lunch or a refreshing cocktail with lounge music in the evening? All this is available at MONDO ITALIANO, the meeting place in the Autostadt in Wolfsburg. Located directly on the Mittelland Canal, in the shade of the willows, guests can enjoy Italian joie de vivre at five times of the day. With a total of 90 seats, the MONDO ITALIANO, modelled on a boathouse, offers plenty of space at any time of day. For the perfect start to the day from 9 am Italian breakfast is served in different variations. At lunchtime, there are typical Italian sandwiches and crisp salads from our own garden. Torta della Nonna, Italian pastries such as cannoli and other "Italian sweets" are served in the afternoon. For the "Aperitivo" there is Prosecco from various regions of Italy, Venetian chiccetti and soft beats and chill-out music. From 7 pm it is the ideal location to round off the evening with cocktails, long drinks and Italian appetisers and enjoy the sunset.
