

Buvette Strandleben

Directly on the beach of Lucerne's Ufschötti, the bright blue Buvette conveys "beach life" in the city.

When the temperatures rise, the team spoils you with cool drinks, delicious snacks and a welcoming atmosphere. Their motto: No dress code, no stress, put your feet up and enjoy!

With regional components of their hotdogs, vegetarian and vegan dishes, the local owners want to make all guests happy. In addition, a every month new beer from a local microbrewery awaits you.
