With our restaurant, we are creating a place that welcomes both locals and globals to the melting pot that is the Westend. We fulfil your wishes at any time of the day. From our open kitchen, we present contemporary cooking of the highest quality, in the purist surroundings of our self-designed marble and oak interior. Or you can change to one of our other settings: airy on the sun terrace, above the roofs of Frankfurt or intimate and unobserved in our Room 309, where we serve you sophisticated drinks and urban fine dining. If you want to go further, the evening ends at the bar.
