

Summer Lounge at the KKL

Summer Lounge at the KKL - © KKL Luzern

Just in time for the summer season, the Summer Lounge opens its doors on the terrace of the Lucerne Arts and Culture Centre, or KKL for short.

In the summer ambience between small olive trees and fresh herbs, you can enjoy the fabulous view of the city and Lake Lucerne. The culinary offer takes you on a journey around the Mediterranean: from Italy and France, via Spain and Portugal to Greece. Thanks to the large roof of the KKL Luzern, you can enjoy refreshing drinks and Mediterranean delicacies even if the weather is uncertain.
