

## Melissa's Kitchen

### Like in mother's kitchen

Melissa's Kitchen makes you feel at home. In the lovingly furnished restaurant, you can start your Sunday in a relaxed way. Homemade wholemeal bread, chocolate rolls, various cornflakes and fruity yoghurts adorn the buffet. Those who like it traditionally Swiss order a "Fotzelschnitte" with maple syrup or cinnamon-sugar. Sweet temptations are served in the form of crumble cake, cinnamon buns or brownies.
