

Cheese Festival

Customs, Market Festival, Festivities

CF Kaesefest Thun Button 60x50mm

A feast for the palate of all cheese lovers! In addition to a large selection of milk and cheese delicacies, a show dairy demonstrates the craft.

Cheesemakers from all over the Bern region are ready and waiting at the Thun Cheese Festival in the morning to offer their homemade specialties. They explain, show, enjoy and sometimes even dance.

There is a rustic supporting program that puts the cheese in the spotlight.
