

# Escape helper and silent hub in the resistance against Hitler 2024

Excursions for guests

Bild

## "Escape helper and silent hub in the resistance against Hitler before and during the Second World War"

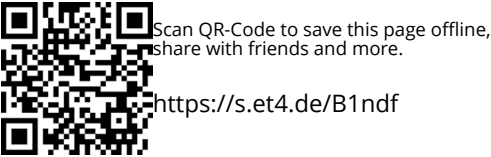

Betty Lambert's parents already ran a business in Brussels - like grandparents and great-grandparents on the Rothschild side in Paris - ran influential salons. The elite met there and networks at the diplomatic, social and political level. and political level. As a Jewess and Bernburger of inter-national origin, the Baroness in Gwatt used her contacts especially before and during the Second World War. She supported people on the run as well as secret service agents in the resistance against Hitler, participants in the Resistance and the Resistance or diplomats helping them to escape. escape aid. During the tour, you will also learn general information about Betty Lambert, her work and the Bonstettengut. Tour of the Bonstettengut (incl. Bonstettenpark, but without the villa) with exclusive information from over five years of research work
