Ladina

Ladina at the TOPOFF Restaurant and Cultural Center in Interlaken

The story of Ladina's experience could be straight out of a fairy tale. But unlike a fairy tale, Ladina's journey required courage and initiative. In the summer of 2021, Ladina was one of two lucky winners to take part in an intimate rooftop showcase organized by Zurich musician and producer ZID. At the time, she had no idea that this event would change her life and make a dream come true. After the concert, the young songwriter, who had previously only made music for herself privately, plucked up all her courage, picked up ZID's guitar and began to play her own songs in front of the audience, still a little reserved but with a palpable inner will. After the first few notes, the audience was as quiet as a mouse. Ladina amazed everyone with her emotional voice, her approachable English lyrics and her authentic manner. Full of enthusiasm, ZID then invited the heartfelt and down-to-earth singer and musician into the studio to record songs. For Ladina, this was the beginning of a promising collaboration and the door opener to the professional music world.

In September 2023, the talented musician became the newest member of the "SRF 3 Best Talent" family.

From 6.30 pm, the TOPOFF Restaurant kitchen crew will spoil you with hot and cold delicacies. Start of the event: 8 pm.
