Concerts

Urtönig

New and old original sounds from all over Switzerland with rare local instruments. Played, sung and danced with Thomas Keller, Sandra Dicht, Sandra Schärer & Christoph Kuhn.

Urtönig uses rare local instruments to track down ancient and very new alpine musical motifs and combines them with their own airy sounds. The result: earthy folk music with Hanottern, Häxeschyten, Trümpis, Langnauerli, Muharpfen - as well as violin, shrutibox, Schwyzerörgeli, double bass and vocals.
