

Freestyle ROOTS 2024

Sports Theatres

Fsr 2

Freestyle fans watch out: Freestyle Roots from October 11 - 13 transforms the city of Thun into a freestyle mecca, with spectacular disciplines such as biking, skating, snowboarding, freeskiing and breakdancing.

The spectacular fusion of various freestyle disciplines takes place on the Esplanade between the Stockhorn Arena and the Panorama Center in Thun. For the third year in a row, Freestyle Roots combines snow sports, skateboarding, biking, live music, breakdancing and graffiti art - all in one weekend. But that's not all: Freestyle Roots also offers the opportunity to take part in various workshops that take place during the weekend.
