### Iseltwald beer hike. A hike through beautiful Iseltwald and tasting beer from 5 breweries along the way.

The beer hike takes you a good 5 km through our beautiful village on Lake Brienz. On this route there are 5 breweries and one stand each with a local association that will not let you starve. The start and finish are on the village square right next to the bus stop. There is a marquee on the village square in which beer is served by each brewery and food is also provided. A live band plays in the tent from later in the afternoon. The event can be visited by bus, boat or car. Public transport stops are just a short walk from the start and parking lot. We also offer inexpensive overnight accommodation. However, these are limited.

The event will take place whatever the weather. We look forward to seeing lots of great people.
