

## Alphornist Adolf Zobrist

Concerts

Bild

**It is a great pleasure for us to welcome the alphorn player Adolf Zobrist on the beautiful terrace of the Grandhotel.**

When sound comes from the rock faces of the mountain peaks, it rolls gently over the glaciers, winds through hollows towards the valley, disappears behind crevasses, roams through forests and glides effortlessly and endlessly over the water in the lake.

Enjoy a wonderful summer Sunday on our sun terrace with a view of the waterfall and Lake Brienz to the sounds of the alphorn.

The concert takes place only in dry and nice weather.
