We offer customised catering for your events. Our coffee breaks always consist of a combination of:

- a fruit component
- a savoury snack
- something sweet to put you in a good mood

On request, we can provide you with vegan, lactose-free or gluten-free alternatives. There is a surcharge of EUR 3.00 per person per day.

Our lunch buffet provides you with a healthy variety and enough energy for the rest of the day. Our weekly menus are flexible and some days are completely vegetarian. If you would like meat or fish every day, we can offer you this for an extra charge of EUR 5.00 per person per day. Of course, there is always a vegetarian alternative to meat and fish.

In spring and summer, we also offer a barbecue buffet on our terrace at lunchtime and in the evening for an additional charge. In winter, we spoil you on our terrace with homemade mulled wine and gingerbread on request.

After a productive day in our conference rooms, we cordially invite you to relax in our hotel bar. Here you can review the day in a quiet atmosphere, have interesting conversations and exchange ideas with other guests. Our bar offers a wide selection of drinks, from refreshing cocktails to exquisite wines. A get-together or an after-work event is also possible.
