always motivated and flexible to meet the individual requirements of our guests. Versatile, personal and 100% reliable. And in everything we do, we love the detail. We see ourselves as true friends and partners to our guests and are open to the world. We are authentic and love what we do.

## Venue Description

"We are all in the same boat": We fulfil this motto with passion and life. Thanks to our many years of experience, we can create the ideal setting for your event in a completely customised way. Because we know exactly what is important. Our "floating venues" can come to you in the truest sense of the word and often save you a time-consuming journey. Whether it's the main railway station, Rheinauhafen, Koelnmesse or well-known hotels. Our boats can pick you up almost anywhere along the Rhine - at any time of year.

For every event, we will of course set the tables in the parlour according to your wishes. Decorations, e.g. in your company colours, are of course included for an appealing overall picture, which we will be happy to help you paint.

Do you need conference technology for your event? No problem: the MS RheinCargo is the ship of your choice, with beamer and screen, monitors, microphones and hotspot available. Bring your laptop, connect it to the technology on board and the presentation can begin.

And of course, every party needs the right music. Our DJs or musicians will provide musical entertainment. Do you have a special music request? We'll make it heard for you and your guests!

## Venue catering & gastronomy

We provide professional catering with selected partners. Choose your favourite buffet from our extensive buffet suggestions or put together your own individual buffet!

With our affordable drinks packages, you no longer need to worry about the exact costing and our waiters will provide your guests with cool beer, fine wines, delicious hot drinks and soft drinks to suit every taste throughout the entire cruise, from departure to docking.
