Venue Introduction

The Musical Dome Cologne is an architectural eye-catcher directly on the Rhine embankment promenade in the heart of the historic city centre. The city's largest theatre is located in the immediate vicinity of Cologne Cathedral and therefore impresses not only with its unique appearance, but also with its unbeatable location.

Venue Description

Upon entering the spacious foyer on three floors, visitors are greeted by an extraordinary backdrop in the style of the legendary nightclub. The upper foyer (800 m²) is equipped with three to four bars and forms the centre of the foyer. The semi-circular theatre hall can accommodate 1,550 guests and, with its slightly ascending rows and staggered comfort seats, offers a view of the 250 m²
