Venue catering & gastronomy

A stay at the WOLKENBURG is always a culinary delight. We place the highest demands on the quality of our cuisine. Our head chef and his team vouch for this.

We love wine. That's why we are consciously committed to European wine.

When purchasing our wines, we always look for niches off the beaten track, i.e. small but fine wineries. The result is worth the effort.

Meet with professional event service and contemporary catering close to the city centre in an exclusive ambience.
