Venue Introduction

In the beat of the city.

The urban pulse of time and Cologne nostalgia united on 11 floors, which are actually only 6.

The Lindner Hotel Köln City Plaza is not only located in the heart of Cologne. It is Cologne. And it's like Cologne's own neighbourhood with sight-seeing experiences floor by floor. Here you can experience the style and lifestyle of the city and also learn a lot about its heroes. At the Lindner Hotel City Plaza, chai lattes meet Kölsch beer, the indispensable Himmel un Ääd meets world-famous street food, business travellers meet city hoppers and Cologne residents meet non-Cologne residents. And no matter how wildly styles are mixed, everything always fits together.

Venue Description

The business area provides excellent conditions for meetings and conferences. On 800 flexibly configurable square metres and in eleven rooms, events and functions can be organised on any scale.

Accommodation

237 quiet and cosy rooms and suites in various sizes, some with a view of the inner garden courtyards, welcome you to the heart of Cologne with many amenities. The rooms have king-size and twin beds, a work desk, bathroom with integrated rain shower, telephone and WLAN Internet access. Look forward to pleasant dreams in the heart of Cologne!
