The architecture of the LANXESS arena is characterised by its flexibility, which allows it to adapt to different types of events. Its modern equipment and technology guarantee an unforgettable experience for visitors and artists alike. Venue catering & gastronomy

The Backstage Restaurant offers up to 600 seats and is located in the north of the LANXESS arena at the level of the two box levels, allowing guests at events with an open stage to look directly into the impressive interior of the arena.

The Henkelmännchen restaurant, located directly in front of the arena gates, is open to our visitors on selected event days and offers a modern food concept influenced by North American culture. Here you can recharge your batteries and get in the mood for the upcoming events in the LANXESS arena with a freshly tapped Kölsch beer.

Our catering stands and bars offer you a varied range of food and drinks before, during and after the events in the LANXESS arena. For example, enjoy a cool Radeberger Pilsner in our Radeberger Lounge, a sparkling wine in the Scavi & Ray Lounge, a refreshing wheat beer at our Maisel's Weisse Bar or a fruity Granini cocktail from our mobile cocktail stand.
