Venue Introduction

The new conference and event location in Cologne: multifunctional meeting rooms and special event spaces - all combined with modern technology and comprehensive service. Design Offices is one of the pioneers of the "New Work" world and finds answers to the requirements of the new work culture with innovative room concepts. Design Offices Cologne Mediapark offers the right space for every event. During the day, you will find the perfect location for bar and boot camps, keynote speeches, innovative workshops or agile working in small groups. In the evening, use one of the two terraces for your networking event or combine it with the spacious rooftop lounge for your company or private party in a stylish ambience with a great view over the city.
