### Venue Introduction

Design Offices accompanies you on your way into the new world of work. With inspiring spaces for agile working. With 100% flexibility including high service quality. The offering includes offices with variable terms, coworking areas and rooms for meetings and conferences that can be booked by the hour - at around 40 locations in 15 cities across Germany.

Modern office concepts for highly efficient and focussed work. Our office spaces enable corporate coworking for agile working methods. The different room formats adapt to your individual requirements - whether you are a project team, start-up, company or corporation. Flexible working environments promote creativity, communication and collaboration while enabling highly efficient and focussed work.
