Venue Introduction

In the heart of Cologne, a unique event catering service awaits you. Under one roof you will not only find our traditional house brewery and the rustic Brauhaus zur Malzmühle, but also the stylish MühlenBar with a large selection of international craft beer specialities, the multifunctional ANNO 1858 and the personally managed, individual Hotel zur Malzmühle with an impressive view of Cologne Cathedral and the old town.

Venue Description

Our Kölsch is special, so why should our event location make an exception? Book the ANNO 1858 as a special setting for your conference or event. We offer you a full service in a creative and peaceful atmosphere with state-of-the-art technology including a huge LED screen of the latest generation, presentation equipment, microphones, sound system and lighting.

Whether it's a Christmas party, customer event or summer party - our light-flooded event location impresses with a variable utilisation concept over two levels for up to 150 people. The huge panoramic window offers your guests a marvellous view of the Heumarkt and Cologne Cathedral. Equipped with a huge LED screen and a modern sound system, we offer the ideal setting for any event idea, and not just technically.

Venue catering & gastronomy

We at the Malzmühle are particularly proud of our own hand-brewed beers: Mühlen Kölsch and Koch'sche Malzbier, which have been brewed in our brewery according to an old family recipe since 1858.

Our first-class kitchen team will crown your celebration with culinary delights. In addition to selected international specialities, we also offer you typical Cologne classics.
