The adjoining covered terrace is furnished according to the season. The large self-service beer garden is lined with old lime trees, which provide plenty of shade on hot days. Simply beautiful!

Adequate parking spaces are available in various areas - up to 1,250 spaces, depending on requirements.

Public transport connections are available via the Scheibenstraße stop (approx. 300m walk) with lines 12 and 15.

Welcome to the FRÜH "Em Tattersall"

The Tattersall is as much a meeting place as ever. Young and old from near and far like to meet here for a freshly tapped FRÜH Kölsch, even outside of race days. The marvellous self-service beer garden with its old lime trees offers protection from almost any weather. Families enjoy the traditional brewery cuisine and the spacious grounds far away from the noise of traffic, in the middle of a nature reserve.
