Venue Introduction

Your event in the largest floating beer garden in the city & with the magnificent cathedral panorama!

Whether wedding, birthday or company party...We support you with the planning and offer you the complete package from a single source!

Venue Description

Catering, drinks, technology, supporting programme, etc. We have the solution for your celebration! In any weather and at any time of year! From November, the ship turns into a winter village and you can hire your own Christmas market - from January, it turns into a carnival village and you can celebrate street carnival on the high seas!
