Venue Introduction

The congress hotel Maritim Köln, most central location with possibilities for up to 1500 people.

Venue Description

The location for your event in Cologne is favourable, as the Maritim Hotel is located directly on Heumarkt Köln and is therefore perfectly integrated into Cologne's infrastructure. In addition to numerous conference rooms, the Bellevue restaurant with its roof terrace is also an ideal event location from which you can enjoy the view of the Rhine and Cologne Cathedral.

22 conference rooms of various sizes are available and offer ideal conditions for congresses, conferences, meetings, seminars and product presentations in Cologne. The hotel's function rooms are also perfect for festive events such as exclusive galas, receptions or weddings. The Maritim banqueting and congress hall with its large stage and two galleries can accommodate up to 1,630 people, while the Heumarkt hall also has a stage and is suitable for events for up to 400 people. The spacious congress foyer, which is located between the two halls, is ideal for hiring as additional exhibition space. In a further 20 banqueting and conference rooms, you can hold meetings and celebrations for up to 160 people on 40 to 165 square metres. A modern boardroom, an event location restaurant and the roof garden restaurant round off the conference hotel's extensive range of facilities.

Every event room in the hotel is equipped with modern conference technology and WiFi. The rooms are also equipped with conference technology such as sound mixers and public address systems. On the conference floors of the Cologne hotel, you can hold meetings with natural daylight. The conference offer not only makes it easier for you to plan your event, but also allows you to customise it thanks to flexible modules.
