At the GLORIA, you will not only find the 50s ambience of the former cinema, but also a committed, young team in an event venue with modern equipment. The latest lighting and sound equipment, which fulfils almost every wish, is of course included. We can organise events and functions. In addition to our everyday programme of concerts, comedy and cabaret through to TV recordings, readings and parties, we regularly organise corporate/team events, training courses and lectures as well as product presentations and company parties.

Feel free to contact us!

Venue Awards

The GLORIA was awarded the GREEN CLUB INDEX back in 2011 and is one of 1000 steps towards more sustainability in NRW. We were the first club in Cologne to sign the Code of Conduct of the Celebrating the Future initiative.

We were awarded the APPLAUS by the Federal Commissioner for Culture and the Media for our programme design.
