Venue Description

The Seepavillon is a dream venue, located directly on the lake Fühlinger See, surrounded by nature. With optional access to the beach and lake, the ideal event room "Beachside-Deck", the modern designed "Green Room" with fireplace and the roof terrace facing the lake, provide a very special ambience.

Creative workshops on the beach or a lunch break with a view of the Fühlinger See.

After a strenuous conference with many topics, a barbecue is the perfect communicative conclusion for your participants.

Away from the classic conference atmosphere and a conference room without daylight, the horizon for your topics changes here. Whether row seating or a relaxed lounge setting. The room can be flexibly customised to provide the perfect setting for your next meeting or conference.

Venue catering & gastronomy

The KAISERSCHOTE is the perfect culinary accompaniment to your day. From a creative snack in the morning with bagels and fresh fruit, lunch with a variety of bowls, "brain food" in the afternoon to make the final spurt even more effective, to end the evening with a BBQ, live cooking or a seated dinner with a view of the lake. The Kaiserschote leaves nothing to be desired.
