Hops & malt combines the diverse world of beers with the thrill of casino gambling.

Hops & malt. The Biercasino combines the diverse world of beer with an exciting game at the casino table in a unique way. In an entertaining way, you will learn new things about well-known facts from the world of beer at the Biercasino. Gain knowledge and maybe even win the game. The high-quality gaming tables, with specially created playing fields, are moderated by professional beer sommeliers or master brewers. Pay attention to their tips, as this may help you to increase your stake. Here you can risk without losing.

The three different gaming tables can be used in any location you choose.

Combine hops & malt with Casino Vinophil. The wine casino.
