We will transport you and your guests to the event by rickshaw in a sustainable and entertaining way

Whether it's a team event, anniversary, trade fair or VIP shuttle: our friendly and experienced team will take you and your guests to the hotel, trade fair or through the city. We guarantee fast, safe and environmentally friendly transport and lots of fun in the back seat.

It is particularly impressive for event shuttles, hop-on / hop-off transfers or product launches when the rickshaw fleet rolls through the streets with your branding and makes your message visible.

We have been inspiring our guests for ten years and try to realise all ideas and wishes. We would be happy to advise you on your individual event and the design options.
