City tours for groups

Traditioneller Köbes - © FRÜH Gastronomie GmbH & Co. KG

On this entertaining walk through Cologne's historic city centre, you can get to know Kölsch in all its diversity. You will learn everything you ever wanted to know about the top-fermented beer speciality and delicacies such as Himmel un Ääd or Kölscher Kaviar. Even Köbes and Zappes will no longer be foreign words to you. The much-praised barley juice is enjoyed here freshly tapped as a quick beer at the bar. This is the best way to experience Cologne hospitality and lively brewery culture up close. Where, when and how often you can stop in can be found on site.
