The target in front of you, a steady hand, concentration ... and SHOOT!

You compete against each other as a team or as an individual in a sporting competition. Our qualified archery instructors provide instruction on the equipment and how to use the bow and arrow beforehand and are on hand with help and advice throughout the event. This results in safe and entertaining interaction. Participants face their own personal challenge and experience a new physical sensation. With concentration, stamina and accuracy, they focus on the goal they have set themselves.
