

Themed Tour: Facades tell stories | Lucerne

Lucerne's facades exert a fascination thanks to their tales of magic and customs, trades and guilds.

We look at the houses with fresh eyes as we pass and discover who painted the "devil on the wall". On the tour, learn about the artists and their works: from grisaille painting to American street art, from Seraphin Weingartner and Hans Erni to "sprayfrei", the city's anti-graffiti campaign.
