Snowshoeing is not permitted across the Habkern moor, except on specified trails. A hike along a good path, through idyllic winter landscapes, undisturbed by irritating snowshoe tracks...what could be nicer than that? This is why we have "Stay on the trail" as our motto: help do your bit by sticking to the trail too!

Cross-country tours or winter hikes offer an active way to relax. If you're looking for something a little more romantic, why not opt for the night-time snowshoe tour, culminating with a delicious fondue? A unique snowshoe experience on marked trails in pristine nature!
