Simon Hofstetter, Sous-Chef, Jungfrau-Hotel Wilderswil recommends:

This tour takes you round the Bernese Gantrisch region, an area that promises memorable motorbiking moments. After setting off in Wilderswil, there is a short stretch on the motorway before the route takes you through the gentle hills of the Stockental valley, where traffic is light and you can enjoy the beautiful Bernese Oberland landscape. After a short ascent from Wattenwil to Rütli near Riggisberg, you will reach the foot of the Gurnigel. The small pass accesses the Gantrisch region and connects canton Bern with neighbouring Fribourg. This road is a fantastic experience for fans of hairpin bends and easy riders alike. After this section, we recommend you take a break by the pass summit restaurant to soak up the views and breathe in the crisp mountain air. Surrounded by mountains, scenic Lake Schwarzsee beckons for a short lunch break. The section of the journey from the lake to Kehrsatz leads you straight into the Aare Valley.
