Köln Bonn Airport

Cologne Bonn Airport is the largest low-cost hub in continental Europe. Last year it handled about 4.3 million passengers. Around 30 airlines connect the Airport to over 130 domestic and international destinations in 39 countries. The airport is located approximately 17 km (10.5 miles) east of Central Cologne and within easy reach of the city centre.

Both terminals offer a wide range of shops, cafés and restaurants. There is also a left luggage office, a post office and a branch of the travel bank.
