indoor swimming pool

Kurbetriebsgesellschaft Bad Zwischenahn mbH

The wave-pool with its outdoor brine bath invites for swimming

The waves are as high as one meter and promise an ocean feeling.

Relaxation may be found at any weather in the well-tempered water of the outdoor brine bath.

Keen on waves? The sun-drenched wave-pool is waiting for you. Here you draw your lanes or enjoy the meter-high surging billows. Various rest areas inside, and on warmer days also outside, offer spheres for retirement.

Our 'Café am Rosengarten' has a wide range of gastronomical offers, also inside the wave-pool area.

The brine bath awaits with pure wellness. The water is heated to 36 degrees Celsius, and North Sea water quality. You will soon feel the relaxation, but also your soul will come to a rest.

The whole body will be warmed up during the bath. Muscles and peripheral joints will be relieved by the uplift of the warm seawater – resulting in relaxation. Let yourself flow and rest on various massage couches in the water, also being able of enjoying nature. This is a special experience at colder weather.
