Natural swimming lake und leisure time fun

This 12 hectare natural swimming lake with its giant slide, water trampoline, fun raft and diving tower attracts water lovers both big and small from all over the country. The holiday park also offers sandy beach sections for relaxation and enjoyment. The only lake in a former quarry with a lighthouse, the water quality is checked every 14 days. Nearby, children and teenagers can let off steam to their heart's content in the children's playhouse with ball pool, at the water-sand-mud facility and at other attractions such as beach volleyball, boules, big chess or table tennis. A family excursion to the Amber Lake is definitely recommended!
