Natursteingarten Dubiel

**Let yourself be enchanted by the fantastically beautiful design in the Mediterranean-style park.**

In the industrial area "An der Autobahn" in the district of Westerholtsfelde, Natursteinhandel Dubiel presents a diverse mix of tangible design advice and inspiring ideas for every taste and location. Natural stone paths, sandstone floors, natural stone walls and archways create a southern ambience in the outdoor area. Pillars and balustrades. With sandstone benches and troughs through to fountain or fireplace arrangements, you can set Mediterranean accents in the garden design. The highlights are artistic figures as well as metal work and real Italian frescoes.
