### Drakampsee and Loher Forst

In the forest area on the outskirts of Godensholt is the Loher Forest with its enchanted Drakampsee. The forest area invites you to take relaxing walks in the beautiful nature. At the edge of the forest there is a very nicely prepared rest area, which is also one of Apen's favorite places. Learn more about the history of the Loher Forest and the Godensholt farmers by listening to "Wotan's Oak".
