

## Listening station Hügelgrab

Memorial

Point of Interest

Hügelgrab

### The barrow is a very vivid monument, which can be seen well on a walk

In summer, the hill grave, which is located in a small forest, offers the opportunity to combine the visit with a long walk.

#### PriceInfo

It is a public place and is therefore free of charge.

#### More Information:

Some time ago, the Ammerland Art Trail launched the "Forgotten Places" project. As here e.g. a concrete stele is then to be seen, which is supposed to remind of the barrow so that it does not fall into oblivion.

#### Price Information:

It is a public place and is therefore free of charge.

#### Openinghours

The barrow is located in a publicly accessible place. A visit is therefore possible at any time.
