Park/Garden

Private garden of the Müller-Bollenhagen family with a large koi pond

In the beautiful garden of the Müller-Bollenhagen family there is a koi pond with a waterfall and stream. A bridge leads to a wall made of old clinker bricks that leads to the terrace. This invites you to linger.

If you stroll through the garden, you will see various perennials, lilies, boxwood and taxus in topiary and a vegetable and herb garden with wine and fruit trellis.
