

## Sledging by starlight on the Niederhorn

sledging winter

Bergbahnen Niederhorn, Interlaken Tourismus - web@interlaketourism.ch

**Experience the fun of sledging by moonlight and enjoy the nocturnal panorama**

**Enjoy sledging by starlight on the Niederhorn every Friday and Saturday evening. All night owls set off on the romantic sledge run down to Vorsass by the light of the moon and the stars. Enjoy the fondue fun in the Berghaus Niederhorn Restaurant after your exciting sledging session.**

During the winter season, sledging by starlight on the Niederhorn takes place every Friday and Saturday evening. Savour the magical evening atmosphere as the Niederhornbahn takes you from Beatenbucht or Beatenberg station to Niederhorn. The cable car runs every 15 minutes from 17:55 onwards from the middle station in Vorsass to the Niederhorn. The last ascent departs at 21:35. You can enjoy as many sledge trips as you like between those times. Sledging by starlight is a must for sledging fans and night owls. You will be struck by how silent the snow-covered landscape is. Admire the nocturnal panorama, illuminated by the light reflecting from the white mountain peaks and the sparkling sea of lights in the valley emanating from the houses lining the shores of Lake Thun. Sledge in the bright moonlight under the sparkling star-lit sky on the well-groomed sledging run to Vorsass. Several lanterns also mark the way. The descent takes around 30 minutes.

### Sledging by starlight with fondue fun

Would you like to get your evening off to a leisurely start? If so, you should book the package "Sternenschlitteln". Enjoy a delicious Swiss cheese fondue with your friends or family in the modern Niederhorn mountain inn after your romantic sledging run to Vorsass. When you're done, warm yourself up with some tasty mulled wine or punch in the Bärgrestaurant Vorsass.

### Your highlights at a glance

- Sledging fun at night by starlight and moonlight
- Beautifully prepared, illuminated sledging run
- Fairytale-like winter landscape
- Nocturnal panorama over the mountain peaks and Lake Thun
